### ABOUT MORINGA OLEIFERA 20:1 Ratio EXTRACT

The Moringa plant provides a rich and rare combination of zeatin, quercetin, beta-sitosterol, caffeoylquinic acid and kaempferol. In addition to its compelling water purifying powers and high nutritional value, Moringa oleifera is very important for its medicinal value. Vitamin C - is the safest and most effective nutrient for the body. Not only that it helps the maximum absorption of Vitamins A, D, E and K but it is also an effective cure for the common colds and helps improve the immune system. The benefits of vitamin C also include the protection against cardiovascular diseases, prenatal health problems and eye disease. It is also promoting healthy skin.

Vitamin A - is also called retinol and a fat-soluble vitamin and helps your eyes adjust to light and keeps your body's mucous membranes moist. Vitamin A also has antioxidant properties which help neutralize free radicals in the body that cause tissue and cellular damage.

Calcium - is good for your bones and teeth. Most people do not have or fail to include Calcium in their diet which results to Calcium insufficiency. It is important to include calcium in the diet because it helps to strengthen the bones and teeth. In addition, Calcium plays a great role in the sperm motility.

Potassium - helps neutralize fluid and electrolyte balance in the cell. It helps prevent high blood pressure, promotes regular contraction, regulates transfer of nutrients to the different cells in the body and maintains the water balance in the body tissues and cells.

Protein - is essential to the structure and function of all living cells and viruses.

The Moringa Oleifera Contains:

- 7 times the Vitamin C in ORANGES
- 4 times the Calcium found in MILK
- 4 times the Vitamin A found in CARROTS
- 3 times the Potassium found in BANANAS
- 3+ times the Iron found in SPINACH
- 2 times the Protein found in YOGURT

When taking Moringa people have noticed:

- More Energy
- Lower Blood Sugar levels
- Balances hormones
- Promotes workout recovery
- Improved Sensory Perception and memory
- Increased flexibility
- Better sleep cycles

Moringa Oleifera act as cardiac and circulatory stimulants, possess antitumor, antioxidant, antiepileptic, diuretic, anti-inflammatory, antiulcer, antipyretic, antispasmodic, hepatoprotective, antihypertensive, cholesterol lowering, antidiabetic, antibacterial and antifungal activities, and are being employed for the treatment of different ailments in the indigenous system of medicine, particularly in South Asia. Moringa Oleifera is considered as the most effective herbal treatment for infertility. The Moringa can help in curing infertility as it is a herbal medicine that contains a slew of nutrients such as minerals, high protein density, antioxidants, vitamin A, B1, B2, B3, B6, B7, C, D, E, and K. Research from various labs have shown that natural herbal medicines can be applied to cure both male and female infertility, one of which is Moringa Oleifera.

The Moringa Oleifera helps men suffering from the erectile dysfunction issue. Also, the Moringa Oleifera is consumed to enhance the semen quality.
