

NATTO-SERRA

TRADITIONAL INDICATIONS

Natto-Serra is a combination of two natural enzymes that have been used as dietary supplements. Serrapeptase is a protein-digesting enzyme isolated from the friendly bacterium *Serratia E-15* discovered in the Japanese silkworm. Nattokinase also digests protein and is derived from "natto," a fermented soy food popular in Japan for centuries. This nattokinase is free of vitamin K. We add Piperine for optimal absorption.

Serrapeptase - Anti-Inflammatory Agents, Sinusitis and Bronchitis, Prevent blood clots, Infection, Atherosclerosis, Carpal Tunnel Syndrome, Reduces Pain, Fibrocystic Breast Swelling, Chronic Obstructive Pulmonary Disease.

Research suggests that people with sinusitis who take serrapeptase have significantly reduced pain, nasal secretions, and nasal obstruction after 3-4 days of treatment.

Nattokinase - Dissolve excess fibrin in blood vessels, which improves circulation, clot dissolution and reduces risk of severe clotting, Reduces LDL (bad) cholesterol and increases HDL (good) cholesterol, Anti-inflammatory, Poor circulation, Preventing and treating High blood pressure, Reduce narrowing of the arteries.

DOSAGE and DIRECTIONS

For Adults 18 yrs or above, one (1) Capsule twice daily (every 12 hours) in empty stomach with lukewarm water.

Please give minimum 30 min to take any food after taking NATTO-SERRA.

Take optimum water to enhance elimination of released toxins from the body.

INGREDIENTS

Supplement Facts			
Serving Size: 1 Capsule (500 mg each)			
Servings per container: 60			
Each Serving contains			%DV
Serratiopeptidase	120,000 SPU	200 mg.	*
Nattokinase enzyme	2,000 FU	200 mg.	*
Piperine		70 mg.	*
Excipient		30 mg.	*
* Daily value (DV) not established.			

HEALING CRISIS

There is no Healing crisis.
